

Call for participation to

22nd CIPA Symposium

Digital Documentation, Interpretation & Presentation of Cultural Heritage

October 11-15, 2009 Kyoto, Japan

Call for Participation

You are kindly invited to the 22nd CIPA Symposium which will be an international and inter-disciplinary event on recording, documentation, preservation and restoration of cultural heritage applying information and communication technology. To be held in Asia for the first time, the symposium will provide a great opportunity to exchange research results and experiences between researchers and professional practitioners from the world, as well as to enhance communication and cooperation, between North, South, East and West, toward the future.

The CIPA bi-annual symposia attract a vast number of interested scientists. The proceedings are published in digital formats, and attract a great number of citations. Information and on-line proceedings of previous CIPA Symposia are provided at; <http://cipa.icomos.org/index.php?id=39&PHPSESSID=22ac251388c50c4c2bc4e425982c0ffd>

.

What is CIPA

The International Committee for Documentation of Cultural Heritage (CIPA: <http://cipa.icomos.org/>) is one of the oldest international committees of ICOMOS (International Council on Monuments and Sites) and it was established in collaboration with ISPRS (International Society for Photogrammetry and Remote Sensing). Its main purpose is the

improvement of all methods for surveying of cultural monuments and sites, specially by synergy effects gained by the combination of methods under special consideration of photogrammetry with all its aspects, as an important contribution to recording and perceptual monitoring of cultural heritage, to preservation and restoration of any valuable architectural or other cultural monument, object or site, as a support to architectural, archaeological and other art-historical research.

Symposium Topics

Topics of interest include, but are not limited to:

- Digital recording, documentation and information management of cultural heritage
- Archaeological and architectural heritage conservation applying ICT
- Terrestrial/aerial photogrammetry and applications to cultural heritage
- Terrestrial/aerial laser scanning and applications to cultural heritage
- Remote sensing and application for cultural heritage
- GIS for cultural heritage documentation and applications
- Intellectual property and open source relating to cultural heritage
- Standard/guideline for documentation of cultural heritage
- Strategies for long-term archiving of digital information of cultural heritage
- Prevention of cultural heritage against risk/hazard
- Education, training and communication
- 3-D Modeling, visualization, CG animation, VR, MR and web techniques
- Multi-image and multi-sensor systems

Timetable

Oct. 11, Sun	Oct. 12, Mon.	Oct.13, Tue.	Oct. 14, Wed.	Oct. 15, Thu.
	Plenary sessions	Parallel sessions	Parallel sessions	<i>Technical excursion</i>
	Plenary sessions	Parallel sessions	Parallel sessions	
	<i>Lunch</i>	<i>Lunch</i>	<i>Lunch</i>	
Registration	Parallel sessions	Poster sessions	Poster sessions	
Opening ceremony	Parallel sessions	Parallel sessions	Parallel sessions	
<i>Welcome cocktail</i>	<i> </i>	<i> </i>	Closing ceremony	

Important Dates

Submission of extended abstracts	May 15, 2009
Notification of acceptance	June 30, 2009

Submission of full papers

August 15, 2009

Registration Fees

Full participant	30,000 JPY (Japanese Yen)
Student	15,000 JPY
Accompanying person	15,000 JPY
One-day registration	10,000 JPY

Congress Venue

Kyoto Terra

Shinmachi -Kujo, Minami-ku
Kyoto, Japan 601-8047

The symposium will be jointly held with Autumn Conference of JSPRS (Japan Society of Photogrammetry and Remote Sensing).

Kyoto

Kyoto, proudly reigned as capital of Japan for 1,200 years. This history and heritage lives on in the 1.5 million population modern city: Seventeen UNESCO World Cultural Heritage Sites are situated in a cityscape dominated by 2,000 temples and shrines. The city offers you endless opportunities to gain meaningful hands-on experience of rich Kyoto culture through Tea Ceremony, sake brewing, kimono wearing, swordsmanship, and more. Japan is renowned for its safety and the compactness of Kyoto makes for wonderful strolling during free time. From the moment of arrival at Kansai International Airport - just 75mins from the city centre - guests of this city are pampered with everything you need from refined Kyoto service.

Organizing & Steering Committee of CIPA 2009 Kyoto

Organizing Committee:

Shunji Murai	President of JSPRS
Masaru Maeno	President of Japan ICOMOS
Hirofumi Chikatsu	Tokyo Denki University, President of ARIDA
Kohei Cho	Tokai University
Rieko Kadobayashi	NICT
Kanefusa Masuda	Ritsumeikan University
Yasushi Nishimura	Asia/Pacific Cultural Center for UNESCO
Kunio Nonomura	JSPRS
Yasuyoshi Okada	Kokushikan University
Kunihiko Ono	Japan Association of Surveyors
Masahiro Setojima	Japan Association of Surveyors
Eihan Shimizu	The University of Tokyo
Haruhisa Shimoda	Tokai University
Toshio Sukigara	Doshisha University
Yutaka Takase	Ritsumeikan University
Keiji Yano	Ritsumeikan University

Steering Committee:

Yutaka Takase	Symposium director, Ritsumeikan University
Hirofumi Chikatsu	Symposium co-director, Tokyo Denki University
Rieko Kadobayashi	Symposium co-director, National Institute of Information and Communications Technology
Keiji Yano	Symposium co-director, Ritsumeikan University
Akihiro Kaneda	Nara National Research Institute for Cultural Properties
Yu Fujimoto	Doshisha University
Chiwako Fujino	Japan Society of Photogrammetry and Remote Sensing
Takashi Fuse	National Institute of Land and Infrastructure Management
Shigeo Matsuda	Riegl Japan
Kengo Miyahara	Kyoto City Archaeological Research Institute
Izumi Niiro	Okayama University
Atsushi Okamoto	Tohoku University of Art and Design
Kunihiko Ono	Japan Association of Surveyors
Hirokazu Shimizu	Nara Prefectural University

Yoichi Seino Kyoto University
Toshio Sukigara Doshisha University
Junichi Susaki Kyoto University
Osamu Yamada Okamura Printing Industries
Megumi Yamashita Survey College of Kinki
Mitsunori Yoshimura Remote Sensing Technology Center of Japan
